About Our Company

Dynamic Tree Solutions, established in July 2015, is a leading provider of high-quality arboriculture and tree care and land clearing services. With a reputation rooted in professionalism, safety, compliance, and customer satisfaction, we've risen to be the contractor of choice across various sectors.

We bring a wealth of experience to the table, having worked in civil construction, transport and main roads, public housing, schools, strata, body corporates, real estates, churches, storm and flood recovery, and insurance works. Our services are tailor-made to meet individual needs, making us the perfect partner for your projects.

Our director, Kyle O'Leary, has been a long-standing member of the Queensland Arboricultural Association (QAA) and was the 2024 the Vice-President. The QAA is a pivotal organisation dedicated to the advancement of arboricultural in Queensland, reflecting our commitment to industry excellence and sustainable tree care.

Our Services
